Maidu Regional Park Open Space

1550 Maidu Dr. Roseville, CA

Register on Eventbrite:

[Mulching the Roseville Preserves Summer Fall 2022](#)

Mulch Conserves Water!

It keeps the soil moist and slows evaporation allowing water to sink into the soil, moderating soil temperature.

Safety: Bring gloves, water, snacks, and sun protection. Wear closed-toe shoes and bring a mask. The dust you may create while working with the mulch is not something you want in your lungs.
